

ABINGDON VILLAGE HOMES ASSOCIATION

AUTHORIZATION FOR ELECTRONIC DELIVERY

Every year the Association spends a substantial amount of money mailing important communications to homeowners. In order to save money and provide added convenience to homeowners, we are allowing homeowners to opt to receive future communications from the Association via email. This will include newsletters, updates on upcoming events, notices concerning Member Meetings, invoices for PUD fees, and other important Association related communications. Please note that the Association will never sell or give your email address to a third party and you may revoke your authorization for electronic delivery at any time in the future.

In order to receive communications via email, you must complete and return this signed form to the Association.
