## AVHA Meeting Minutes

April 16, 2012

Meeting called to order at 8pm.

In attendance – Joe McIntyre, Scottie Burnett, Janice Jones, Dana Hayner, Stacie Dayton, Gideon Goodwin.

Newsletter will be mailed by May 1st, Stacie asked for input, any additions needed ASAP.

Community picnic and yard sales will be held the same day this year. Saturday June 2<sup>nd</sup>. Yard sale will be held 8-1 and the community picnic at 5:30pm. Both events planned by Dana.

Pool repairs are still in the process of being finished. Pool will most likely be finished on time to open for Memorial weekend, but just in case it isn't ready, the newsletter will not state for sure that it will be opened that weekend. Rather it will be worded ".....upon completion we will open the pool and have the picnic".

Stacie researched the best way to fill the pool. We all discussed these two options. The pool takes 70,000 gallons. We can hire a private company to fill it for approximately \$2,900.00 OR fill the pool with the garden hose with the city water which will cost approximately \$500.00, but would likely take a very long time, jeopardizing our goal to open by Memorial weekend.

Meeting adjourned at 8:58pm
